

# TWENTYFIRST ANNUAL GATHERING OF MEN RETREAT

**January 20-21, 2012**

**Begins Friday, 7:00 p.m.  
Concludes Sunday, 12 Noon**

We invite you to join Catholic and Christian men sharing and reflecting on our life and spiritual journey. The retreat is conducted by a group of committed lay men and two Catholic priests: Fr. John Lager, a Capuchin Friar and Vocation Director; and Msgr. Ken Leone, retired.

The theme for 2012 retreat is **"SO, THEN, NO MORE LYING, LET ALL OF US SPEAK THE TRUTH TO OUR NEIGHBORS FOR WE ARE MEMBERS TOGETHER OF THE BODY OF CHRIST"** Each man will be challenged to reflect on his brokenness that holds him in bondage. Several tools will be shared to support the inner work which each man can use to grow in holiness. Many fathers and sons have used this retreat to connect and deepen their relationship.

To register for the weekend, complete the registration form, enclose a check and mail it to:

**D&J Solutions

A confirmation card will be sent to you upon receiving your paid registration. Early registration is encouraged, since the retreat generally fills to capacity with 300 men. We make an extra effort to accommodate late cancellations and fill them from the waiting list. A 70-dollar fee will be assessed if your reservation can not be filled. Please consider inviting a friend to attend.

The Gathering of Men retreat promises to be challenging, growth filled, and reflective. What a terrific way to start the year 2012. The weekend provides help for each man to make choices on how to increase his faith and have more peace. Come and see what 3,500 plus men have experienced over the last nineteen years. Many past attendees return annually to renew their commitment to serve God and the Church. They come also to support and help other men on their spiritual journey.
